

INCLUSIVE PARTICIPATION IN THE FUTURE

- Immigrants are truly involved in decision making and the development of services.
- Services and activities truly meet their clients' needs.
- Everyone has opportunities to develop a sense of belonging, experience community and equality.

CENTRAL FINLAND
NETWORK FOR
MULTICULTURAL
ORGANIZATIONS' AND
INTEGRATION WORK
"MOVE"

WHAT IS MOVE-NETWORK??

- MOVE is a network for immigrants, multicultural organizations and integration work in Central Finland.
- MOVE-network builds and strengthens collaboration and improves immigrants' participation in society.
- MOVE-network is open to everyone.
- MOVE-network provides an opportunity for immigrant voices to be heard, for example in the Associations' Arena (Järjestöarena) and municipal organizations.

GOALS OF THE NETWORK

- Serve as a voice for collective multicultural issues.
- Strengthen immigrants' and multicultural organizations' inclusion, equity and active citizen participation.
- Strengthen and support Central Finland's multicultural communities mutual collaboration and operations.

BENEFITS OF NETWORK COOPERATION

- Advocating for change by bringing forth a common voice and diverse inputs.
 - Increased understanding of different actors' roles.
 - Finding new connections and partners.
 - Sharing best practices.
 - Improved opportunities for collaboration.
 - Leveredging experiential expertise and peer support.
 - Making use of new knowledge, experience and talents.
-
